RE: ARCS Contract No. 68-W8-0079  
Albion-Sheridan Landfill Site (11-5LAN)

Dear Pat:

This letter is to serve as our notice that we selected the second low bidder to install the septic system at the Albion-Sheridan Landfill site. We received three price quotes for the work as follows:

Telephone

616.942.9600

Facsimile

616.942.6499

Morris Sanitation & Excavating	\$1,864
Carr Brothers & Sons	2,000
Larry Nelson	2,300

We initially offered the subcontract to Morris Sanitation, but when they were unable to schedule work in a reasonable time, we awarded the job to Carr Brothers. Carr Brothers was able to perform the work within one week of notification of award. As you know, we had to get the system installed quickly to satisfy a commitment made to the homestead property owner.

If you have any questions, please contact our office.

Very truly yours,

EARTH TECH  
ARCS Program Management Office
